

MESSAGE TO ALL SLODSA MEMBERS IN GOOD STANDING

On June 27, 2018 the United States Supreme Court handed down a ruling that causes serious effects on labor unions in the United States. I discussed this ruling with our legal firm and have made the necessary changes to our application and drafted a list of the benefits afforded to a Member in Good Standing in our association.

The definition of a Member in Good Standing according to our BY-Laws is a member who is current in paying their monthly dues and whos membership has not been revoked by the Board President for indiscretions against the order and good discipline of the association.

Attached are:

- The US Supreme Court Ruling
- PORAC's response to the ruling
- RLS's Preliminary Guide to Compliance and Implementation
- The benefits afforded to a member in good standing with SLODSA

This information is also posted on the DSA website www.slodsa.org and the DSA Bulletin Board in the break room in the jail.

If you have any further questions please contact any one of your Board members or Representatives.
