2018-2019**

**1. INTRODUCTION**

**1.1 Designation of the Parties**

**1.1.1** This Agreement is entered into as of January 1, 2018, by and between the County of San Luis Obispo (hereinafter "County"), and the San Luis Obispo County Deputy Sheriffs' Association (hereinafter referred to as "the Association" or "DSA").

**1.2.2** The term "employee" or "employees" as used herein shall refer to those persons in the Law Enforcement Unit, Non-Safety Law Enforcement Unit and Dispatcher Unit occupying positions not otherwise designated as confidential, which are allocated as permanent full-time, or permanent part-time working 12 months per year, normally working 40 hours or more per pay period. Not included within the term "employee" are all other persons in part-time positions, temporary or extra help or persons on contract with the County.

**2. TERM**

The County and the Association agree that the term of this Agreement commences on January 1, 2018, and expires and is otherwise fully terminated on December 31, 2019.

**3. RENEWAL**

The County and the Association agree that meeting and conferring over the renewal or continuation of this Agreement shall be initiated at the request of either party between July 1 and September 30 of the last six months of this Agreement. The parties also agree that every effort will be made to reach an agreement prior to the expiration of this Agreement.

**4. COUNTY RIGHTS AND RESPONSIBILITIES**

The County retains, solely and exclusively, all the rights, powers and authority exercised or held prior to the execution of this Agreement, except as expressly limited by a specific provision of this Agreement. Without limiting the generality of the foregoing, the rights, powers and authority retained solely and exclusively by the County and not abridged herein include, but are not limited to, the following:

To manage and direct its business and personnel; to manage, control and determine the mission of its departments, building facilities and operations; to create, change, combine or abolish jobs, departments and facilities in whole or in part; to subcontract or discontinue the work for economic or operational reasons; to direct the work force; to increase or decrease the work force and determine the number of employees needed; to hire, transfer, promote and maintain the discipline and efficiency of its employees; to establish work standards, schedules of operation and reasonable work load; to specify or assign work requirements and overtime; to schedule working hours and shifts; to determine the type and scope of work to be performed and the services to be provided; to determine the methods, processes, means and places of providing services, and to take whatever action necessary to prepare for or operate in an emergency.

Nothing in this Article shall be construed to limit, amend, decrease, revoke or otherwise modify the rights vested in the County by any law regulating, authorizing or empowering the County to act or refrain from acting, or limit, amend, decrease, revoke or otherwise modify the employees' rights under the County Civil Service Ordinance.

The County agrees to consult with the DSA upon request in regard to any proposed subcontracting of dispatcher services which would result in the elimination of unit members' jobs.

## **5. WORK SCHEDULES AND WORK LOCATION**

### **5.1 Work Schedules - Non-Dispatchers**

**5.1.1** Employees shall be scheduled to work on regular work shifts having regular starting and quitting times. Except for emergencies, employees' work schedules shall not be changed without three (3) calendar days' prior notice to employee. The Department will not change work schedules during such three (3) calendar day period in order to avoid overtime. Nothing herein shall be construed as a guarantee of a minimum number of hours of work per day or per week. Nothing herein shall be construed to modify whatsoever a workday or workweek as defined by the County.

#### **5.1.2 12 Hour Shift Plan**

**5.1.2.1** The parties agree that the County, by exercising a modified 29 United States Code Section 207(k) exemption ["FLSA 7(k) exemption"] for certain Sheriff's Department Custody Division classifications, may alter the work period to fourteen (14) days with a premium overtime threshold (time and one-half) of eighty (80) hours for unit positions in Custody Division classifications working a twelve (12) hour shift plan. All hours worked by an employee or paid to an employee in lieu of hours worked as defined in County Code Section 2.48.050(g), prior to exceeding the applicable threshold shall be at straight time regardless of whether such time is regular or overtime worked.

#### **5.1.3 Sheriff May Assign, Reassign or Withdraw**

**5.1.3.1** For the purpose of carrying out this Agreement, the Sheriff has the unilateral right to assign or reassign an employee to or from a Custody Division position at any time without meeting, conferring, consulting or prior notification to the DSA. It is the intent of the parties that such an assignment or withdrawal resulting in a change of work shift shall not, in and of itself, be construed as a punitive personnel action ("punitive action") under the Public Safety Officers Procedural Bill of Rights Act (Gov. Code, § 3300 et seq.).

#### **5.1.4 Implementation and Termination of 12-Plan**

**5.1.4.1** The initial period of the 12-Plan shall be for twelve (12) months with a review of the 12-Plan commencing September 2001 or as soon as the twelve-month period expires. The review shall be completed within sixty (60) days under the direction of the Sheriff and in conjunction with the DSA. Following review, the 12-Plan shall continue with additional reviews conducted in July of each year unless the program is terminated by either the County or the DSA. In the event either party terminates the 12-Plan agreement for all or part of Custody divisions, the forty (40) hour weekly overtime threshold shall be restored for those employees who are no longer assigned to a 12-Plan schedule simultaneously with the reassignment date.

#### **5.1.5 DSA's Reservation of Right to Terminate Waiver of 40 Hour Threshold**

**5.1.5.1** The DSA declares that it has entered into this Agreement based on an agreement with the Sheriff's Department on the twelve (12) hour shift plan administration. However, the DSA reserves the right to terminate the waiver of the forty (40) hour threshold for overtime for any reason following any annual review, upon thirty (30) days written notice provided to the County's Human Resources Director and Auditor-Controller. Such termination notice shall be submitted within thirty (30) days of the completion of the annual review.

#### **5.1.6 No Change in Definition of "Base Salary"**

**5.1.6.1** The parties further agree that the terms and conditions of this Agreement shall not be construed in any way so as to redefine the definition of "base salary". The definition of "base salary" for retirement or for any other compensation purposes shall continue to be based on two thousand eighty (2080) hours worked annually or one hundred seventy-three and one-third (173 1/3) hours worked monthly.

### **5.2 Work Schedules and Work Location - Dispatchers**

#### **5.2.1 Work Schedules - Dispatchers**

**5.2.1.1** The parties agree to continue the following work schedule policies:

**5.2.1.1.1** Employees shall be scheduled to work on regular work shifts having regular starting and quitting times. Except for emergencies, employee's work schedules shall not be changed without two (2) calendar days' prior notice to employee. Nothing herein shall be construed as a guarantee of a minimum number of hours of work per day or per week. Nothing herein shall be construed to modify whatsoever a work day or work week as defined by the County.

**5.2.1.1.2** The parties agree to continue appropriate County ordinances to provide the proper accrual rates, compensation practices, and paid time usage for flexible workweek options.

**5.2.2 Work Location - Dispatchers**

**5.2.2.1** The parties agree to continue the following work location policy:

**5.2.2.1.1** Except in cases of emergencies, employees will not be reassigned from their designated normal work location without prior notice. If the reassignment is intended as a permanent change, management shall give the employee at least one week’s advance notice. If the reassignment is intended as temporary, management shall give the employee at least two (2) calendar days’ notice to employee. The designated normal work location is the place at which the employee spends the largest part of her/his regular workdays or working time or the place to which she/he returns upon completion of special assignments. Said notice provision may be waived by written agreement of the employee.

**5.2.2.1.2** The parties agree that employees on temporary assignment to another location will:

**5.2.2.1.2.1** Receive mileage reimbursement for miles traveled from home to the temporary work site or from the permanent work site, whichever is less, only if the temporary assignment requires the employee to travel more miles than the employee would normally travel to their permanent worksite.

**5.2.2.1.2.2** Employees who normally car pool or use alternative transportation will be entitled to receive mileage reimbursement, as stated above, for those days that they are required to report to a temporary work location.

**5.2.2.1.2.3** Management will make every effort to provide employees with an estimate of the length of the temporary assignment.

**6. SALARIES**

## **6.3 Market Wage Study**

**6.3.1** Commencing no later than May 1, 2019, the parties shall convene a pre-negotiations process to identify “comparable” employers, survey classifications, and salary and benefit data to be collected in a market wage survey. If the parties agree on all of the components of the study, the County shall collect the data, complete the market wage study, and provide it to the Association as soon as administratively feasible with a target date of July 1, 2019. The County shall meet with representatives of the Association periodically during the conduct of the study to review data that is being collected.

**6.3.2** If by June 1, 2019 the parties are unable to agree on all of the components of the market wage study, the County shall complete a market wage study and provide it to the Association with a target date of July 1, 2019. This study will include a chart showing the standing of the DSA bargaining unit based on selected comparable employers, survey classifications, and compensation elements selected by the County. Any disagreement between the parties on the data included in the market wage study shall be addressed in successor negotiations.

**6.3.3** The Association may also conduct a market wage study and provide it to the County with a target date of July 1, 2019 for use in successor contract negotiations.

**6.3.4** For purpose of opening proposals covering the time period commencing January 1, 2020, the content of the wage studies described above shall not limit the ability of either party to make such wage proposals and present additional data as they see fit during the course of successor contract negotiations.

The Association asserts that the prior comparables (5 Counties, i.e., Monterey, Santa Barbara, Santa Cruz, Napa and Marin) are appropriate for purposes of setting prevailing wage. For purposes of study and subsequent negotiations, the parties agree that the jurisdictions identified by each party shall be included in data gathering.

**6.3.5.5** The parties agree that there shall be no implication that the employers identified above shall serve as status quo employers for the County or DSA for market wage study purposes.

## **7. RETIREMENT CONTRIBUTIONS**

### **7.1 Pension Employer Paid Member Contributions (EPMC)**

It is understood that these laws may be altered by the law making bodies and agencies and such a contingency is beyond the control of the parties.
